DRUMS/PERCUSSION New contemporary jazz (Fake Book & Smooth Jazz) project (keys, bass, and vocalist) looking for experienced tasteful jazz drummer. Project plans to play 2-3 gigs a month in smaller venues. We are former pros who now have day gigs. Looking for a musically mature, personable, professional-minded individual. Tel: 512-301-6044.

GUITAR Pro Bassist (former New Yorker) seeks a guitarist with BALLS. In other words flashy, fearless, will try anything at least once, has skills outside of contemporary rock formats, wants to break new ground musically, has influences all over the place...and is not stuck in the garage band covers loop (or wants to escape it). I've got over forty years experience on bass and have a drummer all set to make a band happen...if you're not too scared to try something absolutely original. contact Mikael at bmikaelg48@netscape.net

OTHER Looking to get involved in some recording projects in the Austin area. I've recorded rock, pop, jazz, folk, dance, hip-hop, r&b, and have played over 700 live shows as a guitarist, bassist and vocalist. www.futuresoundny.com ivan.evangelista1@gmail.com

Great sound on a working musician's budget.
You don't need to spend a fortune to get a great sounding CD.
At Cedar Fever Studio you'll get that sound for a lot less than those downtown studios. Record an entire CD for the price of what most studios charge for a 3 song demo.

Listen to some of our work at cedarfeverstudio.com.
